	IN THE MATTER OF THE PETITION Docket No. T-01051B-04-0152
	OF AUTOTEL FOR ARBITRATION OF AN INTERCONNECTION AGREEMENT WITH QWEST PURSUANT TO SECTION 252(B) OF THE TELECOMMUNICATIONS ACT EXHIBIT A TO SECOND REVISED EXHIBIT 2 AND EXHIBIT WRE-3 TO DIRECT TESTIMONY OF WILLIAM R. EASTON
14	EASION
15 16	Qwest Corporation ("Qwest") submits the attached revised Exhibit A to
17	second revised Exhibit 2 to its Motion to Dismiss or, in the Alternative, Response to
18	the Petition for Aribitration of Autotel filed March 24, 2004 ("Response") and to
19	Exhibit WRE-3 to the Direct Testimony of William R. Easton filed June 11, 2004
20	("Easton Direct").
21	Exhibit A is the rate sheet for the proposed interconnection agreement. It
22	consists of two parts, a three-page Wireless Type 1 rate sheet and a three-page
23	Wireless Type 2 rate sheet. Qwest's proposed interconnection agreement was filed

as Exhibit 2 to the Response. On April 7, 2004, Qwest filed a revised Exhibit 2, and, 1 2 on May 24, 2004, it filed a second revised Exhibit 2. Exhibit A is also Exhibit WRE-3 to the Easton Direct. Qwest has discovered that it inadvertently filed an 3 incorrect Exhibit A in each of the referenced filings. The Wireless Type 1 Exhibit A 4 was labeled Utah rather than Arizona, contained two incorrect rates and failed to 5 6 include certain items that are also included on Wireless Type 2 Exhibit A. The 7 Wireless Type 2 Exhibit A misnumbered certain items, placed an item in the wrong location and included extraneous notes. In addition, since filing Exhibit A, Qwest 8 has agreed to change language in Section IV.J of the interconnection agreement 9 requiring addition of certain Miscellaneous Charges to Exhibit A. The attached 10 revised Exhibit A corrects these errors. The rates set forth in revised Exhibit A 11 12 correspond to the rates in Qwest's currently effective Statement of Generally Available Terms and Conditions ("SGAT") in Arizona.² 13

¹ Exhibit A was inadvertently omitted from revised and second revised Exhibit 2 previously filed with the Commission.

² Exhibit A is in the form of two spreadsheets rather than a word processing document. Therefore, it is not possible to submit a computer-generated comparison of revised Exhibit A with the Exhibit A filed with the Response and Easton Direct. The changes in the Wireless Type 1 Exhibit A are to (1) change the heading from Utah to Arizona, (2) correct the rates for items 6.3.1.4.1 and 6.3.2.1 (Recurring), (3) add items and their corresponding SGAT rates under 6.3.4 Miscellaneous Charges to correspond to a change in Section IV.J of the interconnection agreement which Qwest agreed to make to eliminate its dispute with Autotel on Issue No. 8 and (4) add additional items that were included in Wireless Type 2 Exhibit A and renumber items accordingly. The changes in

Wireless Type 2 Exhibit A are to (1) add items and their corresponding SGAT rates under 6.3.4 Miscellaneous Charges to correspond to a change in Section IV.J of the interconnection agreement which Qwest agreed to make to eliminate its dispute with Autotel on Issue No. 8, (2) move item 12.0 to item 6.3.5, (3) renumber items after the first 6.3.2 and (4) remove notes 2, 3, 5 and 6, which are not applicable to this rate sheet.
